Council Member Wendy Leece asked questions about the Huntington Beach property location, Santa Ana Watershed, and the Fairview Park project. COUNCIL MEMBERS REPORTS, COMMENTS, AND SUGGESTIONS

Mayor Pro Tem Righeimer commented on the cancelled special meeting and unfunded capital improvement projects, the proposed charter as a financial tool, the \$7.3 million in roadwork improvements to be spent in July, the 10 to 27 percent that might have been saved with the proposed charter by outsourcing services, and the missed deadline for putting the proposed charter on the June ballot. (00:16:12)

Council Member Leece commented on the desire of the residents of Costa Mesa for the City to put its finances in order; expressed concern about the vitriol and anger toward public employees; commented on the previous employee agreements that were made to retain and attract the best and provide a good level of service to the community, and the need to put aside both sides as the residents are caught in the middle; and asked for respect for employees and residents making Costa Mesa a city where we honor and respect each other.
