

About the Program

Our local history provides us with a context for our present and a foundation for our future. The Historical Preservation Committee saves and creates the city's institutional memory, and transfers that rich history to Costa Mesa's residents and visitors. To preserve our history, the Committee relies on limited funding from the city budget, and contributions from people like you. Your donations will support important activities, such as:

- Placing markers at historic buildings
- Publishing pamphlets describing the city's historic structures
- Updating a local history activity book for elementary school students
- Mounting and installing historical photos in the Neighborhood Community Center
- Commissioning a mural depicting the history of Costa Mesa's westside
- Providing historically accurate text for signs at Fairview Park

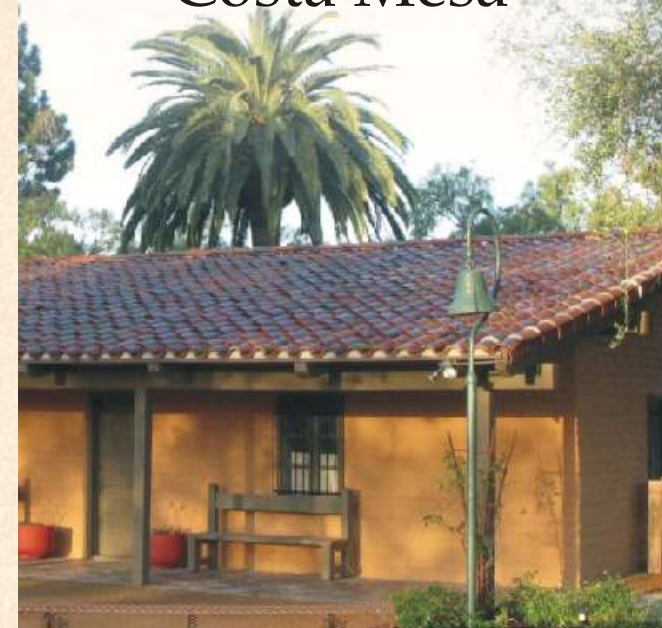

Map of Projects

1. Mural (Placentia Ave in between the Corp Yard and Fire Station)
2. Historical Site Markers (down Newport Blvd starting at 1824 Newport Boulevard)
3. Sepulveda Diego Adobe (1900 Adams)
4. Fairview Park Interpretive Signage (Fairview Park)
5. Historical photos at the Neighborhood Community Center

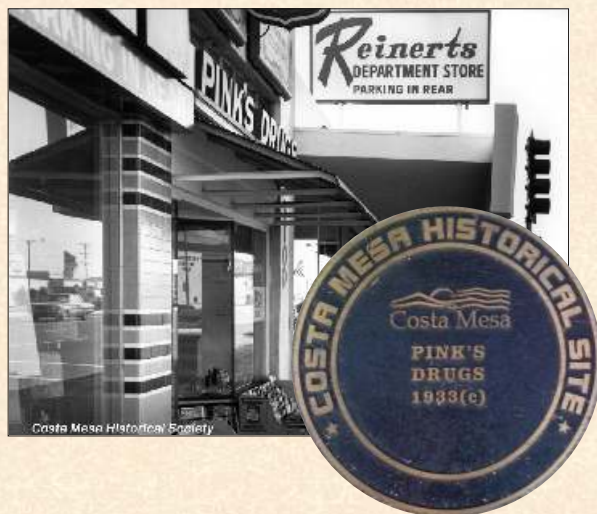

Historical Preservation Committee

The Historical Preservation Committee will work to preserve and promote the historical heritage of the City of Costa Mesa.

Sponsorship Program
