# Candidate Statement of Qualifications

CITY OF: COSTA MESA  
OFFICE SOUGHT: CITY COUNCIL  
WARD/DISTRICT #: \_\_\_\_\_ (if applicable)

**NAME:**

**AGE:**  
(Optional)

**OCCUPATION:**  
Harold Weitzberg  
Business Executive

As a 29 year resident I know Costa Mesa is a special place to live and raise my family. But now it is time to step up, roll up our sleeves and bring back the unified, safe, and prosperous community we want for Costa Mesa.

It is my pledge to balance our budget, obtain sustainable agreements for pension reform, create and maintain strong city services for our safety and well-being, re-build our infrastructure, eliminate questionable spending practices, and bring sensible growth to our city. I can help us develop and implement a plan that accomplishes those goals.

I can do this because of my professional experience as a special education teacher and 30 years as a successful business consultant and executive, building well known brands and products, working with a wide range of companies.

My education includes a Bachelors Degree in Business Education from New York University and a Master's Degree in Education from Hofstra University.

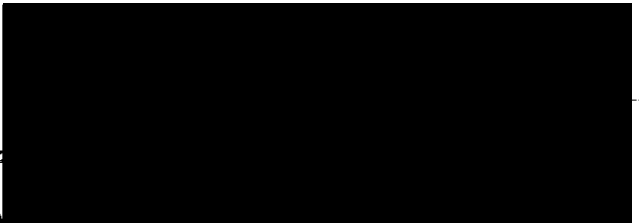

I will bring my wide range of business experience, a public service background and education to this position, so that we can unify our city and bring it to greater success.

Join me in bringing Unity, Safety and Prosperity back to Costa Mesa.
